This document outlines the comprehensive scope of work for the continued management, design and development of CIRIL's digital communication, creative content and internal branding materials for the upcoming year.
The services include complete support across **social media**, **internal communication**, **presentations**, **reports**, **video deliverables**, **event branding** and **member-related documentation**, ensuring consistency, quality and alignment with CIRIL's brand identity across all platforms.

Below is the combined annual scope of work divided into two verticals for clarity:
A. Social Media Vertical
B. Non-Social Media / Internal Communication Vertical

A. SOCIAL MEDIA VERTICAL
